Derrick's Den Questionaire

I would be most grateful if you would take the time to fill out our questionaire. It will help us understand your pet(s) better and enable us to make them feel more at home during their stay with us. We want them to enjoy their holiday with us.

Does your pet prefer a bowl or a water bottle?

Type of bowl? (i.e. ceramic or metal)

Do they have fresh fruit and veg?

Please list fruit and veg that your bunny is used to (I don't want to give them something they are not used to and upset any tummies!)

Do they have this in the morning or evening?

Is there any particular fruit/veg/treats bunny has?

Type of dry food/ pellets fed, how much and what time of day? (I do ask that you bring your bunny's own dry food/pellets (upset tummies again!)

Type of hay they usually have (if they're fussy bunnies like mine and only eat certain types!!)

Bedding used?

Are you happy for me to use Megazorb or would you prefer wood shavings on hutch floor? If other please specify.

Does bunny use a litter tray?

If yes what type of litter do you use?

Are you able to bring bunny's own litter tray? (I am more than happy to supply one if you are unable to. I just find they settle quicker with their tray from home)

Is you pet comfortable with being handled or picked up?

Do they enjoy cuddles?

Are they outgoing or nervous?

Is there any particular place they don't like to be stroked or touched? (strange question, but my little lop totally freaks out if you stroke the top of her head in between her ears!)

Any other likes or dislikes?

Has your pet ever suffered flystrike? In warm weather this can be a problem (luckily one I've never had)

Your pet will be checked at the very least twice daily for a nice clean bottom and signs of flystrike (another thing I am very strict on! So I take no reponsibility if it shoud happen whilst your pet is in my care.

Has your pet suffered any illness in the last 12 months that we should be made aware of?

If yes, please give details...

Thank you for taking the time to answer my questions. Based on the answers you have given me, I can hopefully give your pet a happier, more comfortable place to stay, that takes in to account their routine and home comforts they are accustomed to. If I can not provided something from the answers you have given I will contact you to disscuss.

If there is anything I have missed, or you think I should know then please feel free to add in the space below, or alternatively please feel free to call and chat. I like to have as much information as I can about my guests whilst they are with us at Derrick's Den, they will be treated with the utmost care and respect that they deserve.
